

## Financial Agreement and Dental Insurance

Payment in full is expected at the time of your visit.

### You can pay by the following options:

- \_\_\_ Cash or Check at the time of visit.  
We offer a 5% cash or check discount if you do not have dental insurance and your case costs over \$1,000 and you pay in full at the time of your visit.
- \_\_\_ Credit Card at the time of visit.  
We accept Mastercard, Visa, American Express and Discover
- \_\_\_ Care Credit or Citi Health accounts at the time of visit.

There is an 18% APR charged on balances that are 60 days overdue. Outstanding balances can be paid at [johnpoirierdmd.com](http://johnpoirierdmd.com) by electronic check or credit card.

When treatment spans several visits, you can spread equal payments over the time it takes to complete treatment.

### If you have dental insurance:

Any charges not expected to be paid by insurance is expected at the time of your visit.

We will submit all necessary paperwork to your insurance company to ensure that the maximum allowable amount is covered. We can usually estimate the insurance coverage and the co-pay amount. We will reimburse you if the insurance company pays more than expected.

*Notice to certain Delta insurance customers:* Some Delta insurance plans mail benefit checks directly to the patient, not to the dental office. For these plans, we ask for payment in full *including* the insurance portion at the time of the visit.
